

Brief report:

Bolton Field Day 24th June 2017 'Green Fingers'

Bolton Memorial Hall Committee would like to sincerely thank everyone that helped in any way to make this years' field day a success.

The weather was on our side again this year and just over £1,950 was raised to assist with the general running and upkeep of the hall.

This sum would not have been possible without the many people that supported the event by attending on the day; generous individual donations and contributions; and the many volunteers that worked tirelessly to help make the day a success.

The committee would like to thank everyone that supported field day in anyway, especially those that entered the competitions, made donations, and volunteered their time to prepare the field and set up and run the event.

A full report of the event and results of the competitions and sports appeared in the Cumberland and Westmorland Herald newspaper on Saturday 1st July. The Bolton Memorial Hall Annual Field Day Facebook page has lost of photos of the event – you are invited to 'like' the page and keep up to date with developments for 2018.
